

Preventing Hidden Labour Exploitation

POLICY STATEMENT

Empowered Personnel Ltd commits to developing and adopting a proactive approach to tackling hidden labour exploitation.

Hidden labour exploitation is exploitation of job applicants and workers by third party individuals or gangs other than the employer or labour provider including rogue individuals working within these businesses but without the knowledge of management. It includes forced labour and human trafficking for labour exploitation; payment for work-finding services and work-related exploitation such as forced use of accommodation. It is understood that it is often well hidden by the perpetrators with victims, if they perceive of themselves as such, reluctant to come forward.

5. Adopt a proactive approach to reporting suspicions of hidden worker exploitation to the Gangmasters Licensing Authority and police.
6. Provide information on tackling "Hidden Labour Exploitation" to our workforce through the posters displayed and leaflets
7. Encourage workers to report cases of hidden third party labour exploitation, provide the means to do so and investigate and act on reports appropriately.
8. Positively encourage and support employees and agency workers to report such exploitation which may be occurring within their communities.
9. Require labour providers and other organisations in the labour supply chain to adopt policies and procedures consistent with the above.
